

E counter with LC display, 1-phase, 80 A, 1x S0.1 tariff, Direct connection with meter zero setting

Figure similar

Model	
Product brand name	SETRON
Product quality / calibrated	No
Type of measured value detection / load profile	No
Type of signal	S0
Design of the electricity meter	Solid-state
Design of the pulse output	Electrical
General technical data	
Energy-related number of pulses	1 000 1/kVAh
Energy-related number of pulses	
• minimum	1 000 1/kVAh
• maximum	1 000 1/kVAh
Type of the power supply network	Single-phase
(accuracy class)	1.2
(measurement accuracy)	class 1 (active energy according to EN 50470-3) ; class 2 (reactive energy according to EN 62053-23)

Rated current of the consumption measurement / with transformer measurement	without
Protection class	
Protection class IP	IP50
Electricity	
Electricity meter current type	two-wire meter
Tariff version of the electricity meter	single tariff
Electricity meter energy type	active energy meter/reactive energy meter
Short-term overload current	80 A
Main circuit	
Operating frequency	
• initial value	50 Hz
• Full-scale value	50 Hz
• rated value	50 Hz
Operating voltage	
• rated value	230 V
• between N and L / minimum	184 V
• between N and L / maximum	276 V
Operating current / rated value	15 A
Suitability	
Suitability for use	Import/export
• incremental value acquisition	No
Product details	
Product component	
• electronic pulse generator	No
• pulse output	Yes
Product function	
Product function	
• Backstop	No
• Blocking code	No
• Electricity tariff meter changeover	No
Display and operation	
Display version	digital
Communication	
Design of the interface	Other types
Number	
Number of characters that can be displayed	7
Connections	

Electricity meter connection type	direct connection
-----------------------------------	-------------------

Mechanical Design

Number of width units	2
(mounting type)	installation
Mounting type / Side-by-side mounting	Yes

Certificates

(certificate of suitability)	National
------------------------------	----------

Declaration of Conformity

EG-Konf.
